

## Quality Inspector

Morgan Motor Company are looking to recruit an additional person to join its Quality Assurance team.

Reporting directly to the Quality Manager you will play a vital role in our busy Quality Assurance department. The purpose of the role is to monitor and report on the quality of the goods received and services provided by Morgan Motor Company.

### **Main Duties & Responsibilities**

- To inspect and test incoming goods and product development using hand held measuring tools
- Accurately report findings of testing and inspections.
- Accurately store, maintain and retrieve test reports and all other quality records.
- Investigate and report on customer complaints related to the quality of product.
- PDI Inspections using predefined inspection plan

### **Required Skills and Competencies**

- Experience in a similar inspection and testing role is essential
- A background in Automotive/Engineering would be an advantage.
- Romer Arm knowledge would be an advantage but not essential
- Able to work in an accurate and methodical manner.
- Able to work both as a team member and individually.
- Ability to work to quality systems and procedures.
- Good verbal / written communication skills.
- Good level of Maths and English.

### **Terms & Benefits**

- Salary circa £30k gross pa.
- 37.5 hours per week (flexi time scheme)
- 33 days holiday per year (inclusive of some Bank holidays)
- BUPA health insurance.
- Pension scheme.
- Death in Service Benefit
- Enhanced Paternity/Maternity leave and pay
- Cycle2work Scheme
- Childcare vouchers
